

# FRIENDS OF FORD PARK CEMETERY

Registered as a Charity No. 1121449

The aim of the Friends of Ford Park Cemetery is to bring together all who know and love the Cemetery and who wish to promote its interests and ensure its long-term survival.

Some who join will already be members of Ford Park Cemetery Trust, the organisation which owns and manages Ford Park Cemetery, but while the Friends and the Trust will work closely together they will be two very different organisations. The Trust is a legal organisation the members of which are responsible for appointing its directors. The Friends will be an informal social organisation, more like a club, and in forming it, it is hoped to build on the wonderful friendship and spirit which already exists among volunteers who work for the Cemetery.

Membership of the Friends will carry no formal obligation beyond the payment of a nominal annual subscription of £10 to cover postage and administration. By Newsletters and other means members will be kept fully informed of the activities of the Friends and the Trust and also of the opportunities of meeting socially and of assisting with many aspects of the work of the Cemetery.

In short, the aim is to bring together as many like minded people as possible who share a love of Ford Park and who will enjoy meeting each other and working together in many different ways to advance the interests of the Cemetery. We are confident that the enthusiasm, commitment and skill they bring will immeasurably strengthen this great community project.
